Leitner box

Five boxes. A right answer moves a card up; a miss sends it back to box 1.

Right: up one box

Wrong: back to box 1, whichever box it was in

How to use it

1. Cut out the cards on page 2. Front: the word and the sentence you met it in. Back: the meaning.
2. Put every new card in box 1. Write today's date on it in pencil.
3. Each study day, take out the cards whose date has come. Say the meaning out loud before you turn the card over.
4. Knew it? Move the card up one box and write its next date: today plus the days of that box. Missed it? Back to box 1, and ask it again before you stop.
5. A card you know in box 5 is yours. Check it again after 45 days, then 90, so it stays.

A card you know every time comes back on

Day 0	Box 1
Day 1	Box 2
Day 4	Box 3
Day 11	Box 4
Day 32	Box 5

Labels for your box: cut out and stick one on each compartment

1	2	3	4	5
Today	After 1 day	After 3 days	After 7 days	After 21 days
